### VISION

The Board of Directors developed the following vision statement with the assistance of the National Park Service in the months leading up to the formal planning process.

#### Nuestra Voz – Our Voice

The Sangre de Cristo National heritage Area captures the essence of who we are, allowing us to impart our stories and preserve our heritage through our collective vision and creativity. Our spiritual, historical, and cultural traditions, including reverence for land and water, assemble an extraordinary legacy to impart to current and future generations. Our communities are united in promoting the sacred center of the Sangre de Cristo National Heritage Area landscape – our living history – as a sustainable national and international destination while enhancing the quality of life for our residents.

### MISSION

The mission of the Sangre de Cristo National Heritage Area is to promote, preserve, protect, and interpret its profound historical, religious, environmental, geographic, geologic, cultural, and linguistic resources. These efforts will contribute to the overall national story, engender a spirit of pride and self-reliance, and create a legacy in the Colorado counties of Alamosa, Conejos and Costilla.
